

REQUEST TECHNICAL ADVICE ON EDUCATION PATHWAYS

The Global Task Force on Third Country Education Pathways (GTF) promotes and supports the expansion of tertiary education as a complementary pathway for refugee students.

Any institution that offers or supports third-country education pathways may join the GTF's Community of Practice (CoP). As a member of the CoP, you may request technical advice from the GTF and other CoP members.

Questions about how to build or implement third-country education pathways? Reach out to us!

We will connect you with an experienced member of the GTF and/or CoP who will offer best practices and guidance.

- How do we get started?
- How do we find eligible students?
- What are the basic components of an education pathways program?
- How do we arrange travel for the students?
- What to we do when the students encounter problems after arrival? etc.

Follow these two steps to request help

Step 1

Join the Community of Practice

More information:
